

MARK YOUR CALENDAR FOR THE NEXT CALCOM TRAINING SEMINAR!

Course Title & Description: **Pole Climbing Training**

Training Schedule:
June 3-5, 2008
8:00am- 5:00pm each day

This three-day training seminar will be a combination of field work and classroom time. Each attendee will need to bring his/her own climbing gear. Training topics include:

Orientation, expectations and logistics	Installation and dismantling hardware on the poles
Equipment inspection and fitting	Aerial rescue practice
Climbing regulations, OSHA, ANSI, and CAL OSHA	Equipment and gaff maintenance
Knots and slings	Timed aerial rescue
Pole inspection and climbing	Practical installation test and written test
Overview of General Order 95	

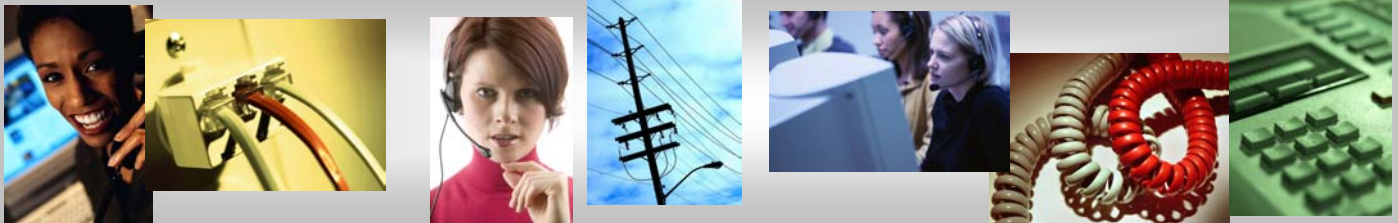

Training Location:

Sierra Telephone - 40033 Sierra Way, Oakhurst, CA 93644
(Attendees will meet at the climbing facility at the east end of the Parkway Building)

If you need overnight hotel accommodations during the training, please contact the **Best Western Yosemite Gateway Inn** located at 40530 Highway 41, Oakhurst CA 93644. To receive the discounted rate of \$107 per night, you must make your hotel reservation(s) before **May 19, 2008** by calling (559)683-2378. Please ask for the **California Communications Association's** room block when making your reservation(s). There are rooms set aside for our group on June 2nd, 3rd, and 4th.

Cost Per Person:

Member Rate \$650
Non-Member Rate \$700
